

FROM EVERYWHERE TO ANYWHERE. WITH UNIROYAL.

NEW

DM 40 – 315/80 R 22.5

Drive axle tyre for mixed on-/off-road use

- **Even wear and high traction**
thanks to advanced five block tread pattern design
- **High chip and chunk resistance**
achieved through optimised tread compounds
- **Good retreadability**
due to optimised tyre contour, belt design and robust casing
